

Dear Golfers & Sponsors,

For more than 30 years, the Rape Crisis Center of Milford has been committed to ending sexual violence and providing high quality, comprehensive, and culturally competent services to sexual assault victims.

Through financial support from grants and the community, all of our services are at no charge to victims and family members despite the economic downturn and funding cuts we've experienced.

Our confidential services include

- 24 hour, 7 days a week crisis hotline
- Short-term counseling & advocacy
- Accompaniment thru hospital, police and court

Our clients are women and men, girls and boys of all ages, and from any background. There are no exceptions. Last year, the Center provided services to 220 adults and 160 children.

Preventing sexual violence is not a woman's issue alone. We must engage men and boys as allies who play an important role in ending violence. Schools offer an opportunity unlike any other for prevention efforts that promote healthy relationships and this year the Center will have contact with more than 9,600 children.

Advocating for victims of rape, incest, and child sexual assault is serious business. But, fundraising can be a lot of fun. The Indoor Golf Classic is for adventurous, spirited golfers and generous donors with proceeds that allow the Center to continue to provide free confidential victim services and community education.

Thank you for your generosity,
Ben Trabka, Chairman
